~~SECRET/SENSITIVE/EXCLUSIVELY EYES ONLY~~

April 8, 1971

TO: Ambassador Bunker

FROM: Henry A. Kissinger

Reference your 0069, I conveyed to the President your thoughtful and timely message on his television address. He was deeply touched and most appreciative.

You are again to be congratulated for the sensitive and effective manner in which you have handled the important coordination which preceded the President's speech. Many thanks.

Best personal regards.
